3

CLIENTS ACCEPTED

over the first 3 months

IDEA House

Content & Brand Studio

PROFILE

Remote digital professional with Level 4 and Level 5 Computing Diplomas, C1-level English teaching experience, and hands-on work across content writing, AI content creation, digital marketing, scriptwriting, video editing, and social media communication.

IDEA HOUSE

Founder of IDEA House, a young content and brand studio founded for only 3 months. Accepted 3 clients during the first season while building minimal workflows for strategy, writing, AI-assisted visuals, and production support.

EXPERIENCE

Founder / Creative Lead - IDEA House

2026 - Present

Built studio positioning, managed early clients, created content ideas, scripts, social media posts, and brand communication.

Content Writer - Own Page, JOY Home, DigitalMarketing.mm

2024 - Present

Created captions, posts, promotional content, tech review content, and business marketing messages for digital audiences.

English Teacher - SpeakEasy Institute

March 2025 - April 2026

Delivered English teaching sessions, prepared learning materials, and supported student communication skills.

AI Content Creator - SkillBridge AI

December 2025 - Present

Used AI tools for research, writing, visuals, video concepts, scriptwriting, and production workflows.
